City Sets Earth Day Meeting

For Immediate Release
Contact Jeff Buell 518-270-4554

(March 9, 2004 TROY) The City has set up an initial meeting concerning Earth Day for next Thursday, March 18th in the City Council chambers at 6:30 p.m.

The purpose of the meeting is to set up a contact and project list for Earth Day. This year's cleanup and celebration will be April 24th and April 25th. The City is sending out mass e-mails and letters to potential participants in hopes of increasing past participation during Earth Day.

If residents are unable to come March 18th for the meeting, they can call Deputy Director of Public Information Jeff Buell to sign up for a project. Buell can be reached at 270-4554.

Any and all ideas for projects are welcome, but the City will stress a grass roots campaign for getting the word out about the cleanup. Members of Mayor Harry Tutunjian's administration have already met with the Coalition of Neighborhoods about this year's festivities.

"This year Earth Day will not just be a day where the City does it best to clean up," Mayor Harry Tutunjian said. "Instead it will be part of our continuing effort to clean up Troy in all areas, from Lansingburgh to South Troy."
